NAME OF THE AUTHORITY:

E-MAIL OF THE MAIN CONTACT PERSON:

Does your country need to change the national legislation to introduce the ECMT Digital System?

Yes No

If no, ITF Secretariat presumes that countries' legislative system is ready for the introduction of the ECMT Digital System.

If yes, please indicate what kind of laws/bylaws you need to change.

Legislation	Draft project (date)	Deadline (date)	Progress

For what concerns the testing of the ECMT Digital System, please indicate the progress within your country.

Role	Testing (yes/no)	Progress	Need of additional training (Y/N) specify scope of training
National Issuing Authority			
Hauliers/drivers			
Control Authority/control officers			

Please indicate the number of responsible institutions in your country for each role.
